White City Park

This picture was taken right down the road at White City Park. If you have never been there, it's definitely a place worth seeing. It is located off Midway Road. The park has a beautiful water system, with many gorgeous sights to see. There

White City Park

are big shady oak trees, ponds filled with lily pads, areas to enjoy a picnic and there are plenty of places to fish. Plenty of alligators have been spotted here as well. I hope you get to enjoy this wonderful park soon!

Employee of the Month

Leon Desir, also known as everybody's favorite driver, is November's Employee of the Month. Leon is not just a driver but a friend to our residents, going above and beyond every time. Leon, we are truly thankful for you.

Dear Lake Forest Family, Friends, and Residents

I would like to first thank all of the amazing residents and staff at Lake Forest Park for supporting my new endeavor as executive director. The cards, flowers, food, letters, prayers and love have made what could have been a nerve wrenching start a smooth, joyful transition. I will strive to make this community the best of the best. The holidays are a time for traditions, a time to get together with family and friends. Some of the greatest traditions are simple and involve laughter and love. Take pictures, create a scrapbook, go outside and enjoy just being in the moment.

The Rights of Our Residents

Here at Lake Forest, we truly desire to protect and value the rights which you have as residents. You may be thinking right now, “what rights are you talking about?” Well, each of you have certain rights which must be honored by the rest of us in the community. For example, you have the right to live in a safe and decent living environment, free from abuse and neglect; the right to be treated with consideration and respect and with due recognition of personal dignity, individuality and the need for privacy; and the right to participate in and benefit from community services and activities and to achieve the highest possible level of independence, autonomy and interaction within the community. These are just to name a few.

So all in all, please know that at Lake Forest we strive to honor and fulfill the rights which you have with all we are. It is our goal to ensure that all of your rights are always upheld.
